So many people have tattoos these days. Have you ever thought of getting one, too? Twins Ron and Bob have.

Ron and Bob are on summer vacation from Bell Jr. High. They went to the water slide park and saw a lot of different tattoos. The twins asked their grandpa about it since he has a tattoo. Ron thought that it would be a good idea to have a tattoo of the name of his favorite band. Grandpa is not so sure that this is a good idea. Ron might change his mind about his favorite band.

Then, after a trip to the beach with some friends, another thing happens that make Ron and Bob think twice about getting a tattoo. You'll find out what made Ron change his mind by reading, *The Tattoo* by R. Fulleman.
